## ARTICLE II PROPERTY ENCUMBERED

Section 1. Property Subject to Declaration. The real property which is, and shall be, held, conveyed, hypothecated or encumbered, sold, leased, rented, used, occupied and improved subject to this Declaration is located in Anne Arundel County, State of Maryland, and is more particularly described on Exhibit “A” attached hereto and, by this reference, made a part hereof.

Section 2. Additions. Additional property may be annexed to the above-described Property only with the consent of two-thirds (2/3) of the Class A Members of the Association, if any. The scheme of the within Covenants and Restrictions shall not, however, be extended to include any such additional property unless and until the same be annexed to the real property described on Exhibit “A” as hereinafter provided.

Any annexations made pursuant to this Article, or otherwise, shall be made by recording a Supplementary Declaration of Covenants and Restrictions among the Land Records for Anne Arundel County, Maryland which Supplementary Declaration shall extend the scheme of the within Declaration of Covenants and Restrictions to such annexed property.

Such Supplementary Declaration may contain such complementary additions and modifications to the Covenants and Restrictions set forth in the within Declaration as may be necessary to reflect the different character or use, if any, of such annexed property, provided, however, that in no event shall any such addition or modification be substantially inconsistent with the provisions of the within Declaration. Such annexations need not be made by the Declarant; provided, however, that any such annexation accomplished by persons other than the Declarant shall have the written consent of the Declarant.

So long as any Lot is encumbered by a Deed of Trust or Mortgage which is guaranteed by the Veterans Administration, no annexation shall be made pursuant to this Article, or otherwise, except following a determination by the Veterans Administration that the annexation conforms to a general plan for the development of the Community previously approved by the Veterans Administration or, if no such general plan was approved by the Veterans Administration, following the prior written approval of the Veterans Administration.

Section 3. Conveyance of the Common Area. The Common Area shall be conveyed to the Association by the Declarant free and clear of liens in accordance with all regulatory approvals. Such Common Area shall be maintained by the Association pursuant to the terms hereof.

### ARTICLE III MEMBERSHIP

Section 1. Membership. The Association shall have two (2) Classes of voting Membership, which shall be known as "Class A" and "Class B":

A. Class A Membership. Every person, group of persons, corporation, partnership, trust or other legal entity, or any combination thereof, other than the Declarant, who or which is a record Owner of a fee interest in any Lot which is part of the Property described in Article II of the Declaration, or which otherwise becomes subject to the covenants set forth in the Declaration and to assessment by the Association, shall be a Class A Member of the Association, provided, however, that any such person, group of persons, corporation, partnership, trust or other legal entity who or which holds such interest solely as security for the performance of an obligation shall not be a Class A Member solely on account of such interest. Each Class A Member shall be entitled to one (1) vote for each Lot in which such Member holds the interest required for Class A Membership.

B. Class B Membership. The Class B Member shall be the Declarant, its nominee or nominees, and shall include every person, group of persons, corporation, partnership, trust or other legal entity, or any combination thereof, who or which shall obtain any Class B Membership by specific assignment from the Declarant. The Class B Member or Members shall have one (1) Class B Membership for each Lot in which such Member holds the interest otherwise required for Class A Membership. Each Class B Member shall be entitled to three (3) votes for each Lot in which such Member holds the interest otherwise required for Class A Membership. Each Class B Membership shall lapse and become a nullity on the first to happen of the following events:

(1) when the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership, except when the provisions of Article II of the Declaration of Covenants permit additional land to be annexed, and such annexation may cause the total Class B votes to, again, exceed the total Class A votes, the Class B Membership shall not be terminated under this paragraph; or

(2) five (5) years from the date of recordation of the Declaration; provided, however, that if the Declarant is delayed in the improvement and development of the Property on account of a sewer, water or building permit moratorium, or any other cause or event beyond the Declarant's control, the aforesaid five (5) year period shall be extended by a period of time equal to the length of the delays or two (2) years, whichever is less.

Upon the lapse or surrender of all of the Class B Memberships as provided for in this Article, the Declarant shall thereafter remain a Class A Member of the Association as to each and every Lot in which the Declarant then holds the interest otherwise required for such Class A Membership.

The Members of the Association shall have no redemptive rights, as such Members, to acquire any Memberships of this Association that may, at any time, be issued by the Association, except as may be specifically provided in this Article.

### ARTICLE IV PROPERTY RIGHTS

Section 1. Member's Right of Enjoyment. Every Member shall have a right and easement of enjoyment in and to the Common Areas and such easement shall be appurtenant to, and, shall pass with, the fee title to every Lot, subject to the following:

A. The right of the Association, in accordance with its Articles of Incorporation and By-Laws, to borrow money for the purpose of improving the Common Areas in a manner designed to promote the enjoyment and welfare of the Members and, in aid thereof, and with the consent of two-thirds (2/3) of each Class of the then Members of the Association, voting separately, to mortgage any of the Common Areas; and

B. The right of the Association to take such steps as are reasonably necessary to protect the Property of the Association against mortgage default and foreclosures; provided, however, that the same are in conformity with the other provisions of this Declaration; and

C. The right of the Association to adopt reasonable rules respecting use of the Common Areas to reasonably limit the number of guests of Members to the use of any facilities which are developed upon the Property; and

D. The right of the Association to levy reasonable admission and other fees for the use of any recreational facility situated on the Common Areas by the Association Members and their guests; and

E. The right of the Association to suspend the voting rights and the rights to use the Common Areas for any period during which any assessment remains unpaid and for any period not to exceed thirty (30) days for any infraction of any of the published Rules and Regulations of the Association; and

F. The right of the Association to dedicate or transfer all or any part of the Common Areas to any public or municipal agency, authority or utility for purposes consistent with the purpose of this Declaration and subject to such conditions as may be agreed to by the Members; provided, however, that no such dedication, transfer or determination as to the purposes or as to the conditions thereof shall be effective unless two-thirds (2/3) of each Class of the then Members of the Association consent to such dedication, transfer, purpose and condition; and provided, further, that any such dedication or transfer shall also be subject to the limitations provided for in Article XII of this Declaration; and

G. The right of the Association, acting by and through its Board of Directors, to grant licenses, rights-of-way and easements for access or for the construction, reconstruction, maintenance and repair of any utility lines or appurtenances, whether public or private, to any municipal agency, public utility, cable television franchisee, the Declarant or any other person; provided, however, that no such licenses, rights-of-way or easements shall be unreasonably and permanently inconsistent with the rights of the Members to the use and enjoyment of the Common Areas.

H. The right of Declarant (and its sales agents and representatives) to the non-exclusive use of the Common Area for display and exhibit purposes, which right Declarant hereby reserves; provided, however, that such use shall not be for a period of more than ten (10) years after the conveyance of the Common Area to the Association, or the sale of all residential Lots within the Property, whichever is the earlier; provided, further, that no such use by Declarant or its sales agents or representatives shall otherwise restrict the Members in their use and enjoyment of the Common Area or facilities thereon.

Section 2. Member's Ingress and Egress Easement. Notwithstanding any statement contained in Section 1 of this Article IV, if ingress or egress to any Lot is over the Common Area, any conveyance or encumbrance of any such Common Area shall be subject to an easement for ingress and egress benefiting such Lot Owner.

Section 3. Delegation of Rights of Use. Any Member of the Association may delegate his rights to the use and enjoyment of the Common Areas to the members of his family who reside permanently with him, and to his tenants, contract purchasers and guests, all subject to such reasonable Rules and Regulations which the Association may adopt and uniformly apply and enforce.

## ARTICLE V COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. General Maintenance Assessment. Except as the assessments of the Declarant are limited by the provisions of Article VI of this Declaration, each person, group of persons, corporation, partnership, trust or other legal entity, or any combination thereof, who or which becomes a fee owner of a Lot within the Property which has been improved with a Completed Dwelling Unit (i.e., each Class A Member of the Association), by acceptance of a Deed therefor, whether or not it shall be so expressed in any such Deed or other conveyance, shall be deemed to covenant and agree to pay to the Association, annually, in advance, a sum (hereinafter sometimes referred to as a "general assessment" or "maintenance assessment") equal to each Member's

proportionate share of the sum required by the Association, as estimated by its Board of Directors, to meet its annual expenses, including, but in no way limited to, the following:

A. The cost of all operating expenses of the Common Areas and the services furnished to or in connection with the Common Areas, including charges by the Association for any services furnished by it except the assessments shall not be used to contest zoning issues nor to hire legal counsel to contest zoning issues.

B. The cost of necessary management and administration of the Common Areas, including fees paid to any Management Agent; and

C. The amount of all taxes and assessments levied against the Association or upon the Association's Common Areas, and

D. The cost of fire and extended liability insurance on the Common Areas, and the cost of such other insurance as the Association may effect; and

E. The cost of utilities and other services which may be provided by the Association for the Common Areas, and

F. The cost of maintaining, replacing, repairing and landscaping the Common Areas, with such costs to be pro-rated among the Class A members of the Association as may be determined by a separate agreement between the Declarant and owners of and the cost of the maintenance of all pathways upon the Property, together with such equipment as the Board of Directors shall determine to be necessary and proper in connection therewith; and

G. The cost of funding those reserves established by the Board of Directors of the Association.

The Board of Directors shall determine the amount of the general assessment annually, but may do so at more frequent intervals should circumstances so require. Upon Resolution of the Board of Directors, installments of annual assessments may be levied and collected on a quarterly, semi-annual or annual basis, rather than on the monthly basis hereinabove provided. Any Class A Member may prepay one or more installments on any annual maintenance assessment levied by the Association, without premium or penalty.

The Board of Directors shall prepare, or cause the preparation of, an Annual Operating Budget for the Association which shall provide, without limitation, for the management, operation and maintenance of the Common Areas. The Board of Directors of the Association shall make reasonable efforts to fix the amount of the annual maintenance assessment against each Lot for each assessment period at least thirty (30) days in advance of the beginning of such period and shall, at that time, prepare a roster of the Lots and the general assessments applicable thereto, which shall be kept in the office of the Association and shall be open to inspection by any Owner upon reasonable notice to the Board.. Written notice of the general assessment shall, thereupon, be sent to the Members. The omission by the Board of Directors before the expiration of any assessment period to fix the amount of the general assessment hereunder for that or the next period shall not be deemed a waiver or modification in any respect of the provisions of this Article, or a release of any Member from the obligation to pay the general assessment, or any installment thereof, for that or any subsequent assessment period, but the general assessment fixed for the preceding period shall continue until a new general assessment is fixed. No Member may exempt himself from liability for assessments by abandonment of any Lot belonging to him or by the abandonment of his right to the use and enjoyment of the Common Areas.

Except as may be specifically provided for herein, or in each Supplementary Declaration recorded hereafter, this Declaration does not contemplate that the Association shall have any responsibility for the maintenance or repair of the dwellings or their appurtenances, and the responsibility and duties of the Association for maintenance and repairs shall be limited to the Common Areas. The owner of any Lot shall, at his own expense, maintain his Lot and dwelling, and any and all appurtenances thereto, in good order, condition and repair, and in a clean, sightly and sanitary condition at all times.

Section 2. Special Maintenance Assessments. In addition to the general assessments authorized by this Article, the Association may levy, in any assessment year, a special maintenance assessment or assessments,

applicable to the ?????? for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, extraordinary repair or replacement of a described Capital Improvement located upon, or forming a part of, the Common Areas, including the necessary fixtures and personal property related thereto, or for such other purpose as the Board of Directors may consider appropriate: provided, however, that any such assessment shall have the assent of two-thirds (2/3) of the votes of each Class of the Members of the Association who are voting, in person or by proxy, at a meeting duly called for this purpose.

Section 3. Reserves for Replacements. The Association may establish and maintain a reserve fund for replacements of the Common Areas and by the allocation, and payment monthly to such reserve fund, of an amount to be designated from time to time by the Board of Directors. Such fund shall be conclusively deemed to be a Common Expense of the Association and may be deposited with any banking institution, the accounts of which are insured by any State or by an agency of the United States of America, or may, in the discretion of the Board of Directors, be invested in obligations of, or fully guaranteed as to principal by, the United States of America.

The reserve for replacement of the Common Areas may be expended only for the purpose of effecting the replacement of the Common Areas major repairs, equipment replacement, and for start-up expenses and operating contingencies, of a non-recurring nature, relating to the Common Areas and for such exterior maintenance of the Lots as may be provided for herein. The Association may establish such other reserves for such other purposes as the Board of Directors may, from time to time, consider necessary or appropriate.

Section 4. Maximum Annual Assessment. The maximum initial annual assessment to be paid by Owners shall be Twenty Five Dollars (\$25.00) per lot.

Section 5. Increase in Maximum General Assessment.

A. From and after January 1st of the year immediately following the conveyance of the first Lot to an Owner, the maximum general assessment for all Class A Memberships hereinabove provided for may be increased by the Board of Directors of the Association, without a vote of the Class A Membership, by an amount equal to ten percent (10%) of such maximum assessment for the preceding year plus the amount by which any ad valorem real estate taxes and casualty and other insurance premiums payable by the Association have increased over amounts payable for the same or similar items for the previous year, plus the amount by which the Consumer Price Index shall have increased above the level prevailing as of the date of the recording of this Declaration.

B. From and after January 1st of the year immediately following the conveyance of the first Lot to an Owner, the maximum general assessment for all Class A Memberships hereinabove provided for may be increased above that established by the preceding Paragraph by vote of the Members, as hereinafter provided, for the next succeeding year and, thereafter, at the end of such year for each succeeding year. Any change made pursuant to this Paragraph shall have the assent of two-thirds (2/3) of the votes of each Class of Members who are voting, in person or by proxy, at a meeting duly called for this purpose.

C. The Board of Directors may, from time to time, fix the annual assessment at an amount not to exceed the maximum.

Section 6. Notice and Quorum for Any Action Authorized Under Sections 2 and 5. Written notice of any meeting called for the purpose of taking any action authorized under Sections 2 and 5 of this Article V shall be sent to all Members not less than ten (10) days, nor more than thirty (30) days, in advance of the meeting. At the first such meeting called the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each Class of Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called, subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

ARTICLE VI  
PAYMENT OF MAINTENANCE ASSESSMENTS

Section 1. Non-payment of Assessments. Any assessment levied pursuant to this Declaration, or any installment thereof, which is not paid on the date when due shall be delinquent and shall, together with interest thereon and the cost of collection thereof, as hereinafter provided, thereupon become a continuing lien upon the Lot or Lots belonging to the Member against whom such assessment is levied and shall bind such Lot or Lots in the hands of the then Owner(s), his heirs, devisees, personal representatives and assigns. The personal obligation of the Member to pay such assessment shall, in addition, remain his personal obligation for the statutory period and a suit to recover a money judgment for non-payment of any assessment levied pursuant to this Declaration, or any installment thereof, may be maintained without foreclosing or waiving the lien herein created to secure the same.

Any assessment levied pursuant to this Declaration, or any installment thereof, which is not paid within thirty (30) days after it is due, may, upon Resolution of the Board of Directors, bear interest at a rate not to exceed the maximum legal rate permitted from time to time in the State of Maryland, and may, by Resolution of the Board of Directors, subject the Member obligated to pay the same to the payment of such penalty or "late charge" as the Board may fix, and the Association may bring an action at law against the Member personally obligated to pay the same, or foreclose on the lien against the Lot then belonging to said Member in the manner now or hereafter provided for in the Maryland Contract Lien Act, or as may otherwise, from time to time, be provided by law, in which event interest, costs and reasonable attorneys' fees shall be added to the amount of each assessment.

In the event any proceeding to foreclose the lien for any assessment due the Association pursuant to this Article is commenced with respect to any Lot in the Property, then the Owner of such Lot, upon Resolution of the Board of Directors, may be required to pay a reasonable rental for such dwelling unit, and the Association shall be entitled to the appointment of a receiver to collect the same.

The Board of Directors may post a list of Members who are delinquent in the payment of any assessments or other fees which may be due the Association, including any installment thereof which becomes delinquent, in any prominent location upon the Property.

Section 2. Assessment Certificates. The Association shall, upon request, at any time furnish to any Member liable for any assessment levied pursuant to this Declaration (or any other party legitimately interested in the same) a certificate, in writing, signed by an officer of the Association, setting forth the status of said assessment, i.e., whether the same is paid or unpaid. Such certificate shall be conclusive evidence of the payment of any assessment therein stated to have been paid. A charge not to exceed Thirty Dollars (\$30.00) may be levied in advance by the Association for each certificate so delivered.

Section 3. Acceleration of Installments. Upon default in the payment of any one or more installments of any assessment levied pursuant to this Declaration, the entire balance of said annual assessment may be accelerated, at the option of the Board of Directors, and be declared due and payable in full.

Section 4. Priority of Lien. The lien established by this Declaration shall have preference over any other assessments, liens, judgments or charges, of whatever nature, except the following:

A. General and special assessments for ad valorem real estate taxes on the Lot; and

B. The liens of any Deeds of Trust, mortgage instruments or encumbrances duly recorded on the Lot prior to the assessment thereon of the lien provided for in this Declaration, or duly recorded on said Lot after receipt of a written statement from the Board of Directors reflecting that payments on said lien were current as of the date of recordation of said Deed of Trust, mortgage instrument or encumbrance.

Notwithstanding any other provision of this Declaration to the contrary, the lien of any assessment levied pursuant to this Declaration upon any Lot, as in this Article provided, shall be subordinate to the lien of any Deed of Trust, Mortgage or other encumbrance duly recorded on such Lot and made in good faith and for value received, and shall in no way affect the rights of the Holder of any such Deed of Trust, Mortgage or other

encumbrance; provided, however, that such subordination shall apply only to assessments, or installments thereof, which have become due and payable prior to a sale or transfer of the Lot pursuant to a foreclosure of such Deed of Trust, Mortgage or other encumbrance, or any Deed, Assignment or other proceeding or arrangement in lieu of foreclosure. Such sale, foreclosure, Deed, Assignment or other proceeding or arrangement in lieu of foreclosure shall not, however, relieve the Mortgagee in possession, or the purchaser at any foreclosure sale, from liability for any assessments thereafter becoming due, or from the lien of any such subsequent assessments, which lien, if any claimed, shall have the same effect and be enforced in the same manner as provided herein.

No amendment to this Section shall affect the rights of the Holder of any first Mortgage on any Lot (or the indebtedness secured thereby) recorded prior to recordation of such Amendment unless the Holder thereof (or of the indebtedness secured thereby) shall join in the execution of such amendment.

The Board of Directors may, in its sole and absolute discretion, extend the provisions of this Section to the Holders of Mortgages (or of the indebtedness secured thereby) not otherwise entitled thereto.

Section 5. Additional Default. Any recorded first Mortgage secured on a Lot in the Property shall provide that any default by the Mortgagor in the payment of any assessment levied pursuant to this Declaration, or any installment thereof, shall likewise be a default in such Mortgage (or the indebtedness secured thereby); but failure to include such a provision in any such Mortgage shall not affect the validity or priority thereof, and the protection extended to the Holder of such Mortgage (or the indebtedness secured thereby) by reason of Section 4 of this Article shall not be altered, modified or diminished by reason of such failure.

Section 6. Commencement of Annual Assessments.

A. No assessments shall be levied against the Lots until January 1 of the year immediately following the lapse of Class B membership in accordance with Article III above. At that time assessments will be levied against and become due and owing for the calendar year from all Lots not then owned by the Declarant. As to the balance of the lots, the annual assessments for each Class A Membership shall commence on the date a Deed for the Lot to which such Membership is appurtenant is delivered by the Declarant to the Member.

B. For each year in which assessments become due, the assessment shall be levied on the first day of the first month of the year and shall be due and payable and a lien on the fifteenth (15th) day of the first month of the year.

Section 7. Assessment of Declarant. Until January 1 of the year immediately following the lapse of Class B membership as aforesaid, Forest Ridge Limited Partnership shall be responsible for the payment of all of the Association's operating expenses including any and all initial costs in the start up of the Association. Annual assessments shall commence for Class A Members as provided in Section 6 of this Article. At such time as assessments begin, the Declarant shall be required to pay twenty-five percent (25%) of the full maximum assessment for all Lots owned by Declarant, until such Lots are improved by a Completed Dwelling Unit which are being used as a model home or sales office, in which case the Declarant shall be responsible to pay the full maximum assessment from the date of occupancy forward,

Section 8. Exempt Property. No portion of the Common Areas shall be subject to assessment of any kind by the Association.

ARTICLE VII  
ARCHITECTURAL CONTROL - USE RESTRICTIONS

Section 1. Architectural and Environmental Review Committee. Except for construction or development by, for or under contract with the Declarant, and except for any improvements to any Lot or to the Common Areas accomplished by the Declarant concurrently with said construction and development, and except for purposes of proper maintenance and repair, no building, fence, wall or other improvements or structures shall be commenced, directed, placed, moved, altered or maintained upon the Property, nor shall any exterior addition to or change (including any change of color) or other alteration thereupon be made until the complete plans and specifications showing the location, nature, shape, height, material, color, type of construction and any other proposed form of

change (including, without limitation, any other information specified by the Architectural and Environmental Review Committee) shall have been submitted to, and approved in writing as to harmony of external design, color and location in relation to surrounding structures and topography and conformity with the design concept for the Community by, the Board of Directors of the Association or by an Architectural and Environmental Review Committee appointed by the Board of Directors.

Subject to the same limitations as hereinabove provided for, it shall be prohibited to install, erect, attach, apply, paste, hinge, screw, nail, build, alter, remove or construct any lighting, shades, screens, awnings, patio covers, fences, wall, slabs, sidewalks, curbs, gutters, patios, balconies, porches, driveways, or to make any change or otherwise alter (including any alteration in color) in any manner whatsoever the exterior of any improvements constructed upon any Lot or upon any of the Common Areas, or to combine or otherwise join two (2) or more dwellings, or to Partition the same after combination, or to remove or alter any windows or exterior doors of any dwelling, until the complete plans and specifications showing the location, nature, shape, height, material, color, type of construction and any other proposed form of change (including, without limitation, any other information specified by the Board of Directors or the Architectural and Environmental Review Committee) shall have been submitted to, and approved in writing as to harmony of external design, color and location in relation to surrounding structures and topography and conformity with the design concept for the Community by, the Board of Directors or the Architectural and Environmental Review Committee appointed by the Board of Directors.

All of the responsibilities and duties herein delegated to the Architectural and Environmental Review Committee shall be carried out by the Board of Directors of the Association, unless and until the Board appoints such a Committee. References hereinafter to the Architectural and Environmental Review Committee shall apply with equal force to the Board of Directors acting in the capacity of such a Committee.

Section 2. Architectural and Environmental Review Committee - Operation. The Board of Directors may appoint an Architectural and Environmental Review Committee. The Architectural and Environmental Review Committee shall be composed of three (3) or more natural persons designated from time to time by the Board of Directors. The affirmative vote of a majority of the Members of the Architectural and Environmental Review Committee shall be required in order to adopt or promulgate any rule or regulation, or to make any finding, determination, ruling or order, or to issue any permit, consent, authorization, approval or the like pursuant to the authority contained in this Article. Said Committee may, from time to time, delegate its ministerial and policing functions to the Managing Agent. Said committee is subject to, and bound by, any conservation easements and/or agreements between Declarant and any governmental entity and recorded among the Land Records of Anne Arundel County.

Section 3. Approvals, Etc. Upon approval by the Architectural and Environmental Review Committee of any plans and specifications submitted pursuant to the provisions of this Article, a copy of such plans and specifications, as approved, shall be deposited among the permanent records of such Committee and a copy of such plans and specifications, bearing such approval in writing, shall be returned to the Applicant submitting the same. In the event the Committee fails to approve or disapprove any plans and specifications which may be submitted to it pursuant to the provisions of this Article within sixty (60) days after such plans and specifications (and all other materials and information required by the Architectural and Environmental Review Committee) have been submitted to it in writing, then approval will not be required and this Article will be deemed to have been fully complied with. Design approval by the Architectural and Environmental Review Committee or by the Board shall in no way be construed as to pass judgment on the correctness of the location, structural design, suitability of water flow or drainage, location of utilities, or other qualities of the item being reviewed. The Board of Directors or the Architectural and Environmental Review Committee shall have the right to charge a reasonable fee for reviewing such application in an amount not to exceed Fifty Dollars (\$50.00). Any such exterior addition to or change or alteration made without application having first been made and approval obtained as provided above, shall be deemed to be in violation of this covenant and may be required to be restored to the original condition at the Owner's cost and expense.

Section 4. Limitations. Construction or alterations in accordance with plans and specifications approved by the Architectural and Environmental Review Committee pursuant to the provisions of this Article shall be commenced within six (6) months following the date on which the same are approved by the Committee (whether by affirmative action or by forbearance from action, as in Section 3 of this Article provided), and shall be

substantially completed within twelve (12) months following the date of commencement, or within such period as the Committee shall specify in its approval. In the event construction is not commenced within the period aforesaid, then approval of the plans and specifications by the Committee shall be conclusively deemed to have lapsed and compliance with the provisions of this Article shall, again, be required. There shall be no deviation from the plans and specifications approved by the Committee without the prior consent, in writing, of the Committee. Approval of any particular plans and specifications or design shall not be construed as a waiver of the right of the Committee to disapprove such plans and specifications, or any elements or features thereof, in the event such plans and specifications are subsequently submitted for use in any other instance.

Section 5. Certificate of Compliance. Upon the completion of any construction or alterations or other improvements or structure in accordance with plans and specifications approved by the Architectural and Environmental Review Committee in accordance with the provisions of this Article, the Architectural and Environmental Review Committee shall, at the request of the Owners thereof, issue a certificate of compliance, which shall be prima facie evidence that such construction, alteration or other improvements referenced in such certificate have been approved by the Architectural and Environmental Review Committee and constructed or installed in full compliance with the provisions of this Article and with such other provisions and requirements of the Declaration as may be applicable.

Section 6. Rules and Regulations, Etc. No such Rules, Regulations, statements, criteria or the like shall be construed as a waiver of the provisions of this Article or any other provision or requirement of this Declaration. The Architectural and Environmental Review Committee may charge and collect a reasonable fee, not to exceed Fifty Dollars (\$50.00) for the examination of any plans and specifications submitted for approval pursuant to the provisions of this Article. The decisions of the Architectural and Environmental Review Committee shall be final, except that any Member who is aggrieved by any action or forbearance from action by the Committee (or by any policy, standards or guidelines established by the Committee) may appeal said decision of the Architectural and Environmental Review Committee to the Board of Directors and, upon the request of such Member, shall be entitled to a hearing before the Board of Directors of the Association as hereinafter provided.

Not less than fifteen (15), nor more than sixty (60), days after the noting of such appeal, the Board of Directors shall conduct a hearing thereon. Within fifteen (15) days of such hearing, the Board of Directors may affirm, reverse, modify or remand the decision appealed. Two-thirds (2/3) of the Board of Directors shall be required to reverse a decision of the Architectural and Environmental Review Committee. The Board of Directors is hereby authorized and empowered to promulgate reasonable rules of procedure for the conduct of such appeals and hearings. In the event that the Board of Directors itself acts in the capacity of the Architectural and Environmental Review Committee, no such right of appeal will lie.

All such leases shall be in writing and a copy thereof shall be filed with the Associations' Board of Directors.

Section 11. Fences. Any fence constructed upon the Property shall be substantially similar in design, dimension and material to the fences installed by Declarant, if any, as a part of original construction and shall not extend beyond the front building line of the dwelling on the Lot upon which any such fence is erected or the front building line of the dwellings on all immediately adjacent Lots. Chain link and other wire fencing is specifically prohibited. The erection of all fences shall be subject to the provisions of Article VII of this Declaration.

Section 13. Reconstruction After Fire or Other Casualty Loss. In the event any dwelling is partially or completely destroyed by fire or other casualty, and in the absence of a Resolution to the contrary by the Board of Directors, the Owner of such dwelling shall promptly restore or reconstruct such dwelling, at his own expense, in accordance with the original plans and specifications, or with such amended plans and specifications as may be approved in writing by the Board of Directors at the request of such Owner. The provisions of this Section shall not apply when prohibited by the first trust Holder, the Veterans Administration, FNMA, FHLMC or FHA, or when in conflict with any law, ordinance, municipal regulation or the like.

Section 14. Enforcement - Right to Remove or Correct Violations. In the event any violation or attempted violation of any of the Covenants or Restrictions contained in this Article shall occur or be maintained upon any Lot, or in the event of any other conduct in violation of any of the provisions or requirements of this Article, then the same shall be considered to have been undertaken in violation of this Article and without the approval of the Board of Directors or the Architectural and Environmental Review Committee required herein, and, upon written notice from the Board of Directors or the Architectural and Environmental Review Committee, such violation shall be promptly removed or abated. In the event the same is not removed or the violation is not otherwise terminated or abated within fifteen (15) days (or such shorter period as may be required in any such notice) after notice of such violation is delivered to the Owner of the Lot upon which such violation exists, or to the Member responsible for such violation if the same shall be committed or attempted on premises other than the Lot owned by such Member, then the Association shall have the right, through its agents and employees (but only after a Resolution of the Board of Directors or the Architectural and Environmental Review Committee) either to take such action as is provided in Article XII, Section 4, of this Declaration and/or to enter upon such Lot and to take such steps as may be necessary to remove or otherwise terminate or abate such violation, and the costs thereof and reasonable attorneys' fees incurred thereby may be assessed against the Lot upon which such violation occurred, and when so assessed, a statement for the amount thereof shall be rendered to the Owner of said Lot, at which time the assessment shall become due and payable and a continuing lien upon such Lot, and a binding personal obligation of the Owner of such Lot in all respects (and subject to the same limitations) as provided in Article V of this Declaration. The Association shall have the further right, through its agents, employees or Committees, to enter upon and inspect any Lot at any reasonable time for the purpose of ascertaining whether any violation of the provisions of this Article or any of the other provisions or requirements of this Declaration exist on such Lot; and neither the Association nor any such agent or employee shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

Section 15. Enforcement - Fines. In addition to the means for enforcement provided elsewhere herein, the Association shall have the right to levy fines against an Owner or his guests, relatives, lessees or invitees in the manner set forth herein, and such fines shall be collectible as any other assessment such that the Association shall have a lien against the Lot of such Owner as provided in this Declaration, the By-Laws and the Articles of Incorporation, and such fine(s) shall also become the binding personal obligation of such Owner.

A. The Board of Directors, or a duly appointed Covenants Committee, shall be charged with determining where there is probable cause that any of the provisions of this Declaration, the By-Laws, Articles of Incorporation or the Rules and Regulations of the Association regarding the use of the dwelling units, Lots, Common Areas or other Association Property are being, or have been, violated. In the event that the Board of Directors or the Covenants Committee determines an instance of such probable cause, it shall cause the Board of Directors to provide written notice to the person alleged to be in violation, and the Owner of the Lot which that person occupies or is visiting if such person is not the owner, of the specific nature of the alleged violation and of the opportunity for a hearing before the Board of Directors upon a request made within five (5) days of the sending of the notice. The notice shall also specify, and it is hereby provided, that each recurrence of the alleged violation or each day during which it continues shall be deemed a separate offense, subject to a separate fine not to exceed Twenty-five Dollars (\$25.00) for each offense. The notice shall also specify, and it is hereby provided, that in lieu of requesting a hearing, the alleged violator or Owner may respond to the notice within five (5) days of its sending, acknowledging, in writing, that the violation occurred as alleged and promising that it will henceforth cease and will not recur, and that such acknowledgment and promise, and performance in accordance therewith, shall terminate the enforcement activity of the Association with regard to such violation.

B. If a hearing is timely requested, the Board of Directors shall hold the same and shall hear any and all defenses to the charges, including any witnesses that the alleged violator, Owner or the Board of Directors or Covenants Committee may produce. Any party at the hearing may be represented by counsel.

C. Subsequent to any hearing, or if no hearing is timely requested and if no acknowledgment and promise is timely made, the Board of Directors shall determine whether there is sufficient evidence of a violation or violations as provided herein. If the Board of Directors determines that there is sufficient evidence, it may levy a fine for each violation the amount provided herein.

D. A fine pursuant to this Section 14 shall be assessed against the Lot which the violator occupied or was visiting at the time of the violation, whether or not the violator is the Owner of that Lot, and shall be collectible in the same manner as any other assessment, including by the Association's lien rights as provided in this Declaration. Nothing herein shall be construed to interfere with any right that an Owner may have to obtain from a violator occupying or visiting his Lot payment of the amount of any fine(s) assessed against that Lot.

E. Nothing herein shall be construed as a prohibition of or limitation on the right of the Association to pursue any other means of enforcement of the provisions of this Declaration, the By-Laws, Articles of Incorporation or Rules and Regulations, including, but not limited to, legal action for damages or injunctive relief.

## ARTICLE VIII MANAGEMENT

Section 1. Management Agent. The Board of Directors may employ for the Association a professional management agent or manager (the "Management Agent"), at a rate of compensation established by the Board of Directors, to perform such duties and services as the Board of Directors shall, from time to time, authorize in writing. The Management Agent shall perform such duties and services as the Board of Directors shall authorize in writing, including, without limitation:

A. To establish (with the approval of the Board of Directors of the Association) and provide for the collection of the general assessment and any other assessments provided for in this Declaration, and to provide for the enforcement of liens therefor, in a manner consistent with law and the provisions of this Declaration; and

B. To designate, hire and dismiss such personnel as may be required for the good working order, maintenance and efficient operation of the Common Areas; and

The Association shall not be liable to any Member for loss or damage, by theft or otherwise, of articles which may be stored upon the Common Areas. No diminution or abatement of assessments, as hereinelsewhere provided for, shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements to the Common Areas, or from any action taken by the Association to comply with any of the provisions of this Declaration or with any law or ordinance or with the order or directive of any municipal or other governmental authority.

Section 4. Self-Management. If the standards and regulations of FNMA and/or FHLMC prohibit self-management by the Association, and FNMA and/or FHLMC holds an interest in a first Mortgage or Deed of Trust against any of the Lots, then no such self-management shall be undertaken by the Association without the prior written consent and approval of all of the Holders of the first Mortgages of record on the Lots.

Provided that any Lot subject to this Declaration is then encumbered by a Deed of Trust or Mortgage which is insured by the Federal Housing Administration or guaranteed by the Veterans' Administration and, provided further, that FHA and/or VA standards and regulations prohibit self-management of the Association, then no such self-management shall be undertaken by the Association without the prior written consent and approval of FHA or VA, as the circumstances may require.

## ARTICLE IX EASEMENTS

### Section 1. Reservation of Easement Rights by the Declarant.

A. The Declarant hereby reserves to itself, its successors and assigns, a non-exclusive easement and right-of-way in, through, over and across the Common Areas for the purpose of the storage of building supplies and materials, and in, through, over and across the Common Areas, and Lots for the installation, construction, maintenance, reconstruction and repair of sanitary sewer lines, water lines, cables, storm drains and appurtenances to any of the same, and for all other purposes reasonably related to the completion of construction, the achievement of uniform grading on adjoining Lots, the furnishing of required warranty services and the provisions of utility services, whether public or private, to the Community and to other property adjacent to, or in the vicinity of, the Community. Section 2. Easements for Utilities and Related Purposes. The Association is authorized and empowered to grant (and shall, from time to time, grant) such other licenses, easements and rights-of-way over the Common Areas and Community Facilities for sewer lines, water lines, electrical cables, telephone cables, gas lines, storm drains, cables, underground conduits, and such other purposes related to the provisions of utility and cable television services, to the Community as may be considered necessary and appropriate by the Board of Directors for the orderly maintenance, preservation and enjoyment of the Common Areas and for the preservation of the health, safety, convenience and welfare of the Owners of the Lots or the Declarant. All lots or parcels of ground shall be subject to all easements and agreements of record, and Declarant, for itself, its successors or assigns, further reserves an additional easement ten (10) feet wide along the boundary lines of all such lots or parcels for storm drainage, utility installation and maintenance.

Section 3. Existing Utilities. The rights and duties with respect to previously installed sanitary sewer and water, cable television, electricity, gas and telephone lines and facilities shall be governed by the following:

B. The right granted in Sub-Paragraph A above, shall be only to the extent necessary to entitle the Owner or Association served by said installation to its full and reasonable use and enjoyment, and provided further that anyone exercising said right shall be responsible for restoring the surface of the easement area so used to its condition prior to such use.

C. In the event of a dispute between Owners with respect to the repair or rebuilding of said connections, or with respect to the sharing of the cost thereof, upon written request of one of such Owners addressed to the Association, the matter shall be submitted to its Board of Directors, who shall decide the dispute, and the decision of the Board shall be final and conclusive on the parties.

Section 4. Easement to Anne Arundel County, Maryland. The Declarant hereby grants to Anne Arundel County, Maryland, a municipal body corporate, its agents and contractors, a non-exclusive easement and right-of-way in, through, over and across the Common Areas and Community Facilities for all purposes reasonably associated with the inspection, operation, installation, construction, reconstruction, maintenance or repair of any stormwater management facilities constructed upon the Property; and in the event that, after reasonable notice to the Association by Anne Arundel County, Maryland, the Association shall fail to maintain any storm water management facility constructed upon the Property in accordance with applicable law and regulations, then Anne Arundel County, Maryland, may do and perform all necessary repair and maintenance work and may assess the Association for the cost of work and any applicable penalties.

The Association shall indemnify and save Anne Arundel County, Maryland harmless from any and all claims or damages to persons or property arising in connection with the installation, construction, maintenance, repair, operation or use of any stormwater management facility constructed upon the Property.

Section 5. Easement for Landscaping and Related Purposes. Section 6. Parking and Sidewalk Easements. There is hereby established for the benefit of the Owners of the Lots a perpetual and non-exclusive easement and right-of-way for pedestrian and vehicular ingress, egress and regress, and for the parking of motor vehicle, in, through, over and across any and all private streets and roadways

in, through, over and across the sidewalks and leadwalks constructed upon the Common Areas and Community Facilities or the Lots. Any grant of a Lot made by the Declarant shall be conclusively deemed to incorporate this easement and right-of-way, whether or not specifically set forth in such grant. At the request in writing of either the Declarant or the Association, the Owner of any Lot shall, from time to time, execute, acknowledge and deliver such other and further assurances of this easement and right-of-way as may be necessary.

Section 7. Easement for Original Construction. With respect to any step, patio, deck, downspout or yard drain, or other similar structure that may benefit any Lot and is constructed by the Declarant and which may encroach upon any portion of the Common Area, there is hereby reserved for the benefit of the Lot for which step, patio, deck, downspout, drain or other structure serves, a perpetual easement for the location, maintenance, repair and use of such structure or items within the Common Area, but only to the extent the Declarant's original construction thereof encroaches within the Common Area. The Owner of the Lot benefiting from such easement agrees to maintain such structure or item and. to indemnify and hold the Association harmless from any loss, liability or damage arising out of or resulting from the use, enjoyment and benefit of the easement granted hereby.

There shall be no clearing, grading or filling of these areas.

## ARTICLE X EXTERIOR MAINTENANCE

Section 1. Duty to Maintain. Each Owner shall keep each Lot owned by him, and all improvements therein or thereon, in good order and repair and free of debris, including, but not limited to, the seeding, watering and mowing of all lawns, the pruning and cutting of all trees and shrubbery, and the painting (or other appropriate external care) of all buildings and other improvements, all in a manner and with such frequency as is consistent with good property management. In the event an Owner of any Lot shall fail to maintain the Lot and the improvements situated thereon, as provided in this Declaration and in the By-Laws, the Board of Directors may appoint someone to enter upon said Lot to correct drainage and to repair, maintain and restore the Lot and, the exterior of the buildings and any other improvements erected thereon. All costs related to such correction, repair or restoration shall become a lien upon such Lot, and such lien may be enforced in the same manner as an annual assessment levied in accordance with Article V hereof. Any such lien shall be subordinate to the lien of any first Mortgage or Deed of Trust. Sale or transfer of any Lot shall not affect such lien. However, the sale or transfer of any Lot pursuant to Mortgage or Deed of Trust foreclosure, or any proceeding or act in lieu thereof, shall extinguish any such lien as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. No amendment to this Section shall affect the rights of the Holder of any first Mortgage on any Lot (or the indebtedness secured thereby) recorded prior to recordation of such amendment unless the Holder thereof (or the indebtedness secured thereby) shall join in the execution of such amendment.

Section 2. Easement for Exterior Maintenance. If any dwelling is situated on or near a Lot line such that proper exterior maintenance and repair of the dwelling cannot reasonably be accomplished exclusively on such Owner's Lot, then that Owner shall have an easement over that portion of the adjoining Lot as is reasonably necessary for such exterior maintenance and repair, including, but not limited to, painting, cleaning, washing and repairing windows.

Unless a later date is specified in any such instrument, any amendment to this Declaration shall become effective on the date of recording.

Section 2. Amendments by Declarant. Notwithstanding the foregoing, this Declaration may be amended by the Declarant without the vote of the Members, provided such amendment is accomplished solely for the purpose of causing this Declaration to conform to the requirements of VA, FHA, FNMA or FHLMC, and does not adversely affect the property rights of any Member.

Section 3. Duration. Unless amended in accordance with the provisions of Sections 1 and 2 of this Article and the other requirements of this Declaration, and except where permanent easements or other permanent rights or interests are herein created, the Covenants and Restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of, and be enforceable by, the Association, or the Owner of any Lot subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date of recordation of this Declaration, after which date the said covenants shall be automatically extended for successive periods of ten (10) years each.

Section 4. Construction and Enforcement. The provisions hereof shall be liberally construed to effectuate the purpose of creating a uniform plan for the development and operation of the Community. Enforcement of these Covenants and Restrictions shall be by any proceeding at law or in equity against any person or persons violating, or attempting to violate, any Covenants or Restrictions, either to restrain or enjoin such violation, to remove such violation or to cover damages, or all of the foregoing, and against any Lot to enforce the lien created hereby, all at the cost of the Owner in violation: and the failure or forbearance by the Association or the Owner of any Lot to enforce any Covenant or Restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

The provisions hereof may be enforced, without limitation, by the Association, by any Owner or any mortgagee of any Lot which becomes subject to the provisions hereof, and by any other person, firm, corporation or other legal entity who or which has any right to the use of any of the Common Areas owned by the Association.

There shall be, and there is hereby, created and declared to be a conclusive presumption that any violation, breach or attempted violation or breach of any of the within Covenants or Restrictions cannot be adequately remedied by action at law or exclusively by the recovery of damages.

Section 5. Successors of Declarant. Any and all rights, reservations, easements, interests, exemptions, privileges and powers, or any part of them, of the Declarant hereunder may be assigned and transferred (exclusively or non-exclusively) by the Declarant, with or without notice to the Association.

Section 6. Incorporation by Reference on Resale. In the event any Owner sells or otherwise transfers any Lot, any Deed purporting to effect such transfer shall contain a provision incorporating by reference the covenants, restrictions, servitudes, easements, charges and liens set forth in this Declaration.

Section 7. Notices. Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, by ordinary mail, postage pre-paid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 8. No Dedication to Public Use. Nothing herein contained shall be construed as a dedication to public use or as an acceptance for maintenance of any Common Areas by any public or municipal agency, authority or utility, and no public or municipal agency, authority or utility shall have any responsibility or liability for the maintenance or operation of any of the Common Areas.

Section 9. Severability. Invalidation of any one of these Covenants or Restrictions by judgment, decree or order shall in no way affect any other provisions hereof, each of which shall remain in full force and effect.

Section 10. Consents. Any other provision of this Declaration to the contrary notwithstanding, neither the Members, the Board of Directors nor the Association shall, by act or omission, take any of the following actions without the prior written consent and approval of the Holders of at least two-thirds (2/3) of the first Mortgages of record on the Lots:

A. Abandon, partition, subdivide, encumber, sell or transfer any of the Common Areas; provided, however, that the granting of rights-of-way, easements and the like for public utilities and cable television, or for other purposes consistent with the use of the Common Areas and by the Members of the Association, shall not be considered a transfer within the meaning of this Section; or

B. Abandon or terminate this Declaration; or

C. Modify the method of determining and collecting Common Expense assessments or other assessments as provided for in this Declaration; or

D. Resolve to use the proceeds of casualty insurance for any purpose other than the repair, replacement or reconstruction of the Common Areas; or

E. Modify or amend any material or substantive provision of this Declaration or the By-Laws of the Association; or

F. Fail to maintain fire or extended coverage on insurable Common Areas and Community Facilities on a current replacement cost basis in an amount not less than one hundred percent (100%) of their insurable value (based on current replacement cost).

Section 11. Consent of Veterans Administration. Provided that any Lot in the project is then encumbered by a Deed of Trust or Mortgage which is guaranteed by the Veterans Administration, and provided further, that there are then Class B Memberships of the Association outstanding, neither the Members, the Board of Directors or the Association shall, by act or omission, take any of the following actions without the prior written consent and approval of the Veterans Administration:

A. Abandon, partition, subdivide, encumber, sell or transfer any of the Common Areas; provided, however, that the granting of rights-of-way, easements and the like for public utilities and cable television or for other purposes consistent with the use of the Common Areas; by the Members of the Association shall not be considered a transfer within the meaning of this Section; or

B. Abandon or terminate this Declaration; or

C. Modify or amend any material or substantive provision of this Declaration or the By-Laws of the Association.

Section 12. Additional Rights of Mortgagees - Notice. If requested to do so in writing, and if provided with the Holder's name and address and the property address in which the Holder has an interest, the Association shall notify the Holder of the first Mortgage on any Lot for which any assessment levied pursuant to this Declaration and any Supplementary Declaration becomes delinquent for a period in excess of thirty (30) days, and in any other case where the Owner of such Lot is in default with respect to the performance of any other obligation hereunder for a period in excess of sixty (60) days, but any failure to give such notice shall not affect the validity of the lien for any assessment levied pursuant to this Declaration, nor shall any such failure affect any of the priorities established by Article VI of this Declaration.

No suit or other proceeding may be brought to foreclose the lien for any assessment levied pursuant to this Declaration except after such written notice to the Holder of the first Mortgage on the Lot which is the subject matter of such suit or proceeding has been given.

Any institutional first Mortgagee of any Lot upon the Property may pay any taxes, utility charges or other charge levied against the Common Areas and Community Facilities which are in default and which may or have become a charge or lien against any of the Common Areas and Community Facilities, and any such institutional first Mortgagee may pay any overdue premiums on any hazard insurance policy or secure new hazard insurance coverage on the lapse of any policy with respect to the Common Areas and Community Facilities. Any first Mortgagee who advances any such payment shall be due immediate reimbursement of the amount so advanced from the Association.

Section 13. Casualty Losses. In the event of substantial damage or destruction to any of the Common Areas or Community Facilities, the Board of Directors of the Association shall give prompt written notice of such damage or destruction to the Holders of all first Mortgages of record on the Lots. No provision of this Declaration or the By-Laws of the Association shall entitle any Member to any priority over the Holder of any first Mortgage of record on his Lot with respect to the distribution to such Member of any insurance proceeds paid or payable on account of any damage or destruction of any of the Common Areas or Community Facilities.

Section 14. Condemnation or Eminent Domain. In the event any part of the Common Areas and Community Facilities is made the subject matter of any condemnation or eminent domain proceeding, or is otherwise sought to be acquired by any condemning authority, then the Board of Directors of the Association shall give prompt written notice of any such proceeding or proposed acquisition to the Holders of all first Mortgages of record on the Lots. No provision of this Declaration or the By-Laws of the Association shall entitle any Member to any priority over the Holder of any first Mortgage of record on his Lot with respect to the distribution to such Member of the proceeds of any condemnation or settlement relating to a taking of any of the Common Areas.

Section 15. Taxes and Assessments. It is the intent of this Declaration that inasmuch as the interests of each Owner to use and enjoy the Common Area is an interest in real property appurtenant to each Lot, the value of the interest of each Owner in such Common Area shall be included in the assessment for each such Lot and, as a result, any assessment directly against such Common Area should be of a nominal nature reflecting that the full value of the same should be included in the several assessments of the various Lots.

Section 16. Captions and Gender. The captions contained in this Declaration are for convenience only, are not a part of this Declaration and are not intended in any way to limit or enlarge the terms and provisions of this Declaration. Whenever the context so requires, the male shall include all genders and the singular shall include the plural.
